

Acknowledgment

Each chapter in this book has been prepared by eminent professors and research scholars from Australia, the USA, Europe, Latin America, and Asia involved IS/IOIS and business management research. Many thanks for their valuable contribution. I would also like to thank the reviewers (most of them were the contributors of the chapters themselves) for their time to contribute to the blind review process and offer valuable feedback to the authors of the chapters. I am very grateful to all of them – without their contributions and support this book project would not have been successful. My sincere thanks also go to the members of the Editorial Advisory Board who kindly accepted to serve as the members of the board and offered advice on numerous occasions.

I thank Ms. Jan Travers, Director of Intellectual Property Rights and Contracts, IGI Global, Ms. Kristin Klinger, Director of Editorial Content, and Hannah Abelbeck, Editorial Assistant, for their support and guidance throughout the editing and publication process.
