

Acknowledgment

We first would like to thank the chapter authors for their contributions to this edited book. They were an inspiration to us as we carried out our research. Sincere gratitude is extended to our editorial review board for their wisdom. This work is a reflection of their vision in guiding our efforts. Finally, we are grateful to all of the reviewers. Those listed in this text and those who asked to remain anonymous, who donated their time, expertise, and support in making this publication possible. Thank you.
