

Acknowledgment

Many persons have contributed their dedicated work to this book and related research. The editor would like to thank all authors, the associate editors of IJSSCI, the editorial board members, and invited reviewers for their great contributions to this book. I would also like to thank the IEEE Steering Committee and organizers of the series of IEEE International Conference on Cognitive Informatics and Cognitive Computing (ICCI*CC) in the last ten years, particularly Lotfi A. Zadeh, Witold Kinsner, Witold Pedrycz, Bo Zhang, Du Zhang, George Baciú, Phillip Sheu, Jean-Claude Latombe, James Anderson, Robert C. Berwick, and Dilip Patel. I would like to acknowledge the publisher of this book, IGI Global, USA. I would like to thank Dr. Mehdi Khosrow-Pour, Jan Travers, Kristin M. Klinger, Erika L. Carter, and Myla Merkel, for their professional editorship.
