

# International Journal of Swarm Intelligence Research (IJSIR)

**ISSN: 1947-9263; EISSN: 1947-9271**

Established 2010; Published Quarterly

**Editor(s)-in-Chief:** Yuhui Shi (Southern University of Science and Technology (SUSTech), China)

The **International Journal of Swarm Intelligence Research (IJSIR)** serves as a forum for facilitating and enhancing the information sharing among swarm intelligence researchers in the field, ranging from algorithm developments to real-world applications. Targeting at researchers, academicians, students, and engineers, this journal provides innovative findings in swarm intelligence, evolutionary computation, computational intelligence, optimization techniques, and their applications.

## Topics Covered:

- Ant colony optimization
- Applications in bioengineering
- Applications in bioinformatics
- Applications in business
- Applications in control systems
- Applications in data mining and data clustering
- Applications in decision making
- Applications in distributed computing
- Applications in evolvable hardware
- Applications in finance and economics
- Applications in games
- Applications in graph partitioning
- Applications in information security
- Applications in machine learning
- Applications in planning and operations in industrial systems, transportation systems, and other systems
- Applications in power system
- Applications in supply-chain management
- Applications in wireless sensor networks
- Artificial immune system
- Brain storm optimization algorithms
- Constrained optimization
- Culture algorithm
- Developmental swarm intelligence
- Differential evolution
- Fireworks algorithm
- Foraging algorithm
- Large scale optimization problems
- Modeling and analysis of biological collective systems such as social insects colonies, school, and flocking vertebrates
- Multi-objective optimization
- Optimization in dynamic and uncertain environment
- Other nature-inspired optimization algorithms
- Particle swarm optimization
- Scheduling and timetabling
- Swarm robotics

## Individual Price:

Print: US \$270.00

E-Journal: US \$270.00

Print + E-Journal: US \$325.00

## Institution Price:

Print: US \$755.00

Online Access: US \$755.00

## SUBMISSION INFORMATION

Prospective authors should note that only original and previously unpublished articles will be considered. Interested authors must consult the journal's guidelines for manuscript submissions at [www.igi-global.com/publish/resources](http://www.igi-global.com/publish/resources) prior to submission. All article submissions will be forwarded to the Editorial Review Board for double-blind, peer review.

All submissions and inquiries should be directed to the attention of:
