Human Capital and Information Technology Professionals

IGI PUBLISHING
Publisher of IT books, journals and cases since 1988
www.igi-global.com

ISSN: 1947-3478; EISSN: 1947-3486

Established 2010; Published Quarterly

Editor(s)-in-Chief: Ricardo Colomo-Palacios (Østfold University College, Norway)

The **International Journal of Human Capital and Information Technology Professionals (IJHCITP)** focuses on the IT field from the outlook of industry professionals and covers multidisciplinary themes such as human resource management, sociology, psychology, and management along with technology itself. Representing IT professionalism from the human capital point of view, the journal publishes original research papers, research notes, reviews, and cases on all aspects of IT professionalism, technology-related careers, personnel empowerment, organizational management, and cutting edge technologies affecting IT practitioners. This journal emphasizes articles linking theory with application or critically analyzing cases with the objective of identifying good practice in the management of IT human capital.
