I am pleased to recommend the following IGI Global journal(s) for inclusion in our library

International Journal of Computer-Assisted Language Learning and Teaching (IJCALLT)

Bin Zou (Xi'an Jiaotong-Liverpool University, China)
ISSN: 2155-7098; Established 2011; Published Quarterly

The International Journal of Computer-Assisted Language Learning and Teaching (IJCALLT) serves as a forum for researchers, teachers, practitioners, and education professionals to discuss and share their ideas, experience, and knowledge in combining computer technology with language teaching and learning. Due to the fast pace of technological change, innovative teaching approaches and strategies should be developed to successfully integrate new technologies into language teaching. This journal provides opportunities to evaluate, improve, and apply such strategies in the fields of CALL and foreign/second language learning.

Reason(s) for Recommendation:

- Personal Use:** This journal will be useful for my own research.
- Student Use:** This journal will be very useful to my students.
- Benefit to Library:** This Journal is instrumental for the expansion of our library collection in this area.
- Benefit to Research Community:** This innovative Journal can be very beneficial to the research community.
