Dr. Victor C. X. Wang is a Professor of Adult and Community Education (Workforce Education) at Florida Atlantic University. Thus far, Dr. Wang has published nearly 230 refereed books, book chapters, and journal articles. These publications address andragogy and pedagogy, which can be considered as the umbrella under which such areas as andragogical curriculum and program development, management, human performance technology, social justice, global education, diversity and e-learning are addressed.

Currently, Dr. Wang is co-editing the *International Journal of Adult Vocational Education and Technology* with a world-leading theorist, Dr. Stephen Brookfield, and another world-leading adult education theorist and statistician, Dr. Patricia Cranton. Dr. Wang has won many academic achievement awards, including the Distinguished Faculty Scholarly & Creative Achievement Award. He has had extensive experience in chairing and mentoring doctoral dissertations (including dissertations from University of Auckland, New Zealand). Some of his books have been adopted as required textbooks by major universities in the United States, and in China. In addition, numerous universities worldwide including some Ivy League Universities have cataloged his books and journal articles. Dr. Wang’s teaching (including teaching via technology) has reached many states in the United States and China.

Lyle Yorks is Associate Professor in the Department of Organization and Leadership, Teachers College, Columbia University where he teaches courses in adult learning, and research. He is also a lecturer in the Executive Master of Science Program in Technology Management at in the School of Continuing Education, Columbia University where he teaches a course in Strategic Advocacy. His research and scholarly interests include holistic learning, the role of the arts in facilitating transformative learning, collaborative/co-operative inquiry, strategic mindsets for learning through complexity and action research. Articles authored and co-authored by Lyle have appeared in the *Adult Education Quarterly, Action Research, Academy of Management Education and Learning, Human Resource Development Review, Journal of Applied Behavioral Science, Journal of Transformative Education, New Directions in Adult and Continuing Education, Teachers College Record, and other scholarly and professional journals. Among his publications are chapters in Learning as Transformation (2000), Explorations in Complexity Thinking (2007) Transformative Learning in Practice (2009) and Workplace Learning (2010). His 2004 article “Toward a Political Economy Model for Comparative Analysis of the Role of Strategic Human Resource Development Leadership” and his 2012 article “The Role of Reflective Practices in Building Social Capital in Organizations”, (co-authored with Yoshi Nakamura), in the *Human Resource Development Review* received the Outstanding Article Award. His book Strategic IT co-authored with Art Langer was published by Wiley in 2013. Lyle earned master degrees from Vanderbilt University and Columbia University and his doctorate from Columbia University.
