Applied Industrial Engineering (IJAIE)

ISSN: 2155-4153; EI ISSN: 2155-4161
Established 2012; Published Semi-Annually

Editor(s)-in-Chief: Lanndon Ocampo (University of San Carlos, Philippines)

This International Journal of Applied Industrial Engineering (IJAIE) provides a domain for professionals, academics, researchers, policy makers, and practitioners working in the fields of industrial engineering, reliability engineering, TQM, management, and globalization to present their research findings, propose new methodologies, disseminate the latest findings, and to learn from each other’s research directions. IJAIE focuses on applied research in the areas of industrial engineering with a bearing on inter and intra disciplinary research. This journal publishes full-length research manuscripts, insightful research, and practice notes, as well as case studies.

Individual Pricing
Print + Free E-Access: $340.00
E-Access + Free Print $340.00

Institution Pricing
Print + Free E-Access: $940.00
E-Access + Free Print $940.00

Topics Covered:
- Business and strategy
- Case studies in industry and services
- Decision analysis
- Engineering economy and cost estimation
- Enterprise resource planning and ERP II
- Facility location, layout, design, and materials handling
- Forecasting, production planning, and control
- Human factors, ergonomics, and safety
- Industrial Engineering Education
- Information and communication technology and systems
- Innovation, knowledge management, and organizational learning
- Inventory, logistics, and transportation
- Knowledge and technology transfers in a globalized network
- Manufacturing, control, and automation
- Operations Management
- Performance analysis
- Product and process design and management
- Project Management
- Purchasing and procurement
- Reliability and maintenance engineering
- Scheduling in industry and service
- Service systems and service management
- Supply Chain Management
- Systems and service modeling and simulation
- Total quality management and quality engineering

SUBMISSION INFORMATION
Prospective authors should note that only original and previously unpublished articles will be considered. INTERESTED AUTHORS MUST CONSULT THE JOURNAL’S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at [http://www.igi-global.com/journals/guidelinesforsubmission.aspx](http://www.igi-global.com/journals/guidelinesforsubmission.aspx) PRIOR TO SUBMISSION. All article submissions will be forwarded to at least 3 members of the Editorial Review Board of the journal for double-blind, peer review. Final decision regarding acceptance/revision/rejection will be based on the reviews received from the reviewers. All submissions must be forwarded electronically.

All submissions and inquiries should be directed to the attention of:
Lanndon Ocampo, ijaie@igi-global.com or lanndonocampo@gmail.com

All manuscript submissions to IJAIE should be sent through the online submission system:
[http://www.igi-global.com/author/editors/titleSubmission/newproject.aspx](http://www.igi-global.com/author/editors/titleSubmission/newproject.aspx)
EDITOR-IN-CHIEF BIO

Landon A. Ocampo received his Ph.D. in Industrial Engineering from De La Salle University (DLSU), Manila, Philippines. He obtained his M.Eng. and B.Sc. (cum laude) degrees in Industrial Engineering from University of San Carlos (USC), Philippines. He has currently more than 20 publications in international peer-reviewed, indexed journals in industrial and production engineering, decision science, management science and manufacturing research. He is currently an Editor-in-Chief of the International Journal of Applied Industrial Engineering, IGI-Global. He is a regular reviewer of various journals indexed in SCI, SCIE, SSCI, Scopus and Engineering Index. Dr. Ocampo is a member of the International Society of Multiple Criteria Decision Making, Industrial Engineering & Operations Management Society, International Association of Engineers and the Mathematical Society of the Philippines. He is now a Lecturer in the Department of Mechanical and Manufacturing Engineering, University of San Carlos and a Senior Lecturer in the Business Management Cluster, University of the Philippines Cebu.
