International Journal of

e-Collaboration (IJeC)

ISSN: 1548-3673; EISSN: 1548-3681
Established 2005; Published Quarterly

Editor(s)-in-Chief: Ned Kock (Texas A&M International University, USA)

The **International Journal of e-Collaboration (IJeC)** addresses the design and implementation of e-collaboration technologies, assesses its behavioral impact on individuals and groups, and presents theoretical considerations on links between the use of e-collaboration technologies and behavioral patterns. An innovative collection of the latest research findings, this journal covers significant topics such as Web-based chat tools, Web-based asynchronous conferencing tools, e-mail, listservs, collaborative writing tools, group decision support systems, teleconferencing suites, workflow automation systems, and document management technologies.

Individual Pricing

Print + Free E-Access: **$260.00**
E-Access + Free Print: **$260.00**

Institution Pricing

Print + Free E-Access: **$730.00**
E-Access + Free Print: **$730.00**

Topics Covered:

- Analysis of different research methods and their impact on the study of e-collaboration technologies in organizations
- Collaborative writing tools
- Comprehensive reviews of previous studies on e-collaboration technologies in organizations
- Design and evaluation of asynchronous learning networks (ALNs) in organizational setting
- Design and evaluation of intelligent e-collaboration technologies in organizational settings
- Design, implementation, and assessment of e-business solutions that include e-collaboration features
- E-collaboration technologies impact on individuals and society
- E-collaboration technologies impact on knowledge management and organizational learning
- E-collaboration technologies support for distributed process reengineering and process improvement
- E-collaboration technologies support for quality certification programs
- E-collaboration technologies support for the creation of virtual teams and virtual organizations
- E-mail
- Listservs
- Organizational and national culture as moderating factors in the adoption and use of e-collaboration technologies in organizations
- Web-based asynchronous conferencing tools
- Web-based chat tools

SUBMISSION INFORMATION

Prospective authors should note that only original and previously unpublished articles will be considered. INTERESTED AUTHORS MUST CONSULT THE JOURNAL'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at http://www.igi-global.com/journals/guidelines-for-submission.aspx PRIOR TO SUBMISSION. All article submissions will be forwarded to at least 3 members of the Editorial Review Board of the journal for double-blind, peer review. Final decision regarding acceptance/revision/rejection will be based on the reviews received from the reviewers. All submissions must be forwarded electronically.

All submissions and inquiries should be directed to the attention of:
Ned Kock, ijec@scriptwarp.com

All manuscript to IJeC should be sent through E-Editorial Discovery:
