Epigraph ........................................................................................................................................... ix

Preface ................................................................................................................................................ x

Acknowledgment ............................................................................................................................ xx

Chapter 1
UNESCO, Digital Library, Interactive Design, and Communicability: An Excellent Example Online ................................................................................................................................. 1
Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Jim Carré, University of the Netherlands Antilles, Curacao
Valeria M. Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy

Chapter 2
Biomedical Test Instruments: Usability, Ergonomics, and Communicability Assessment ................................................................................................................................. 34
Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Jim Carré, University of the Netherlands Antilles, Curacao

Chapter 3
Multimedia, Scientific Information, and Visualization for Information Systems and Metrics ................................................................................................................................. 56
Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Chapter 4
An Exemplary Interface for All .................................................................79
Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Alejandra Quiroga, Universidad Nacional de La Pampa, Argentina
Jim Carré, University of the Netherlands Antilles, Curacao
Jacqueline Alma, Electronic Arts, Canada

Chapter 5
A Lisibility Assessment for Mobile Phones ..............................................103
Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Jacqueline Alma, Electronic Arts, Canada
Jim Carré, University of the Netherlands Antilles, Curacao

Chapter 6
Kernel of the Labyrinths Hypertextuals....................................................122
Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Alejandra Quiroga, Universidad Nacional de La Pampa, Argentina
Valeria M. Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy

Chapter 7
Digital Television and Senior Users: Design Evolution or Involution? ........143
Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Jacqueline Alma, Electronic Arts, Canada
Miguel Cipolla-Ficarra, International Association of Interactive Communication, Italy

Chapter 8
Computer Animation for Ingenious Revival...........................................159
Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Miguel Cipolla-Ficarra, International Association of Interactive Communication, Italy
Chapter 9
Poiesis and Video Games for Adults: A Good Example for the Cultural Heritage

Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Jaqueline Alma, Electronic Arts, Canada
Miguel Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Jim Carré, University of the Netherlands Antilles, Curaçao

Chapter 10
Quo Vadis “Interaction Design and Children” in Europe?

Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Valeria Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy

Chapter 11
Anti-Models for Architectural Graphic Expression and UX Education

Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Jim Carré, University of the Netherlands Antilles, Curaçao
Alejandra Quiroga, Universidad Nacional de La Pampa, Argentina
Valeria M. Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy

Chapter 12
Free Emails in Bad Portals

Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Alejandra Quiroga, Universidad Nacional de La Pampa, Argentina
Valeria M. Ficarra, Latin Association of Human-Computer Interaction, Spain & International Association of Interactive Communication, Italy
Chapter 13
Inverted Semanteme Into Financial Information Online .......................... 263
Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer
Interaction, Spain & International Association of Interactive
Communication, Italy
Valeria M. Ficarra, Latin Association of Human-Computer Interaction,
Spain & International Association of Interactive Communication, Italy
Miguel Cipolla-Ficarra, Latin Association of Human-Computer
Interaction, Spain & International Association of Interactive
Communication, Italy

Chapter 14
Statistics and Graphics Online: Links Between Information in Newspapers
and User Experience Evaluation ................................................................. 284
Francisco V. Cipolla-Ficarra, Latin Association of Human-Computer
Interaction, Spain & International Association of Interactive
Communication, Italy
Alejandra Quiroga, Universidad Nacional de La Pampa, Argentina
Jim Carré, University of the Netherlands Antilles, Curacao
Valeria M. Ficarra, Latin Association of Human-Computer Interaction,
Spain & International Association of Interactive Communication, Italy
