# Table of Contents

Preface.................................................................................................................................................. xiv

Chapter 1
Mapping the Intellectual Structure of the Field Neurological Disorders: A Bibliometric Analysis.... 1
   S. Ravikumar, North-Eastern Hill University Shillong, India

Chapter 2
Neurofeedback: Retrain the Brain........................................................................................................ 13
   Meena Gupta, North-Eastern Hill University Shillong, India
   Dinesh Bhatia, North-Eastern Hill University Shillong, India

Chapter 3
Neurological Disorders, Rehabilitation, and Associated Technologies: An Overview .................. 26
   Sateesh Reddy Avutu, North-Eastern Hill University Shillong, India
   Dinesh Bhatia, North-Eastern Hill University Shillong, India

Chapter 4
Brain Tumor and Its Segmentation From Brain MRI Sequences ...................................................... 39
   Sanjay Saxena, International Institute of Information Technology, India
   Puspanjali Mohapatra, International Institute of Information Technology, India
   Swati Pattnaik, International Institute of Information Technology, India

Chapter 5
Early Detection of Parkinson’s Disease: An Intelligent Diagnostic Approach.............................. 61
   Debashree Devi, National Institute of Technology Silchar, India
   Saraj K. Biswas, National Institute of Technology Silchar, India
   Biswajit Purkayastha, National Institute of Technology Silchar, India

Chapter 6
Soft Computing-Based Early Detection of Parkinson’s Disease Using Non-Invasive Method Based on Speech Analysis ................................................................. 96
   Chandrasekar Ravi, National Institute of Technology Puducherry, India
Chapter 7
Assessment of Gait Disorder in Parkinson’s Disease .......................................................... 108
   Divya Govindaraju, Anna University, India
   Gururaj Nagarajan, Birla Institute of Technology and Science, India
   Paramasivam Alagumariappan, B.S. Abdur Rahman Crescent Institute of Science and
   Technology, India

Chapter 8
Tremor Identification Using Machine Learning in Parkinson’s Disease ............................ 128
   Angana Saikia, North-Eastern Hill University Shillong, India
   Vinayak Majhi, North-Eastern Hill University Shillong, India
   Masaraf Hussain, North-Eastern Indira Gandhi Regional Institute of Health and Medical
   Sciences, India
   Sudip Paul, North-Eastern Hill University Shillong, India
   Amitava Datta, The University of Western Australia, Australia

Chapter 9
Epileptic Seizure Detection and Classification Using Machine Learning .......................... 152
   Rekh Ram Janghel, National Institute of Technology Raipur, India
   Yogesh Kumar Rathore, National Institute of Technology Raipur, India
   Gautam Tatiparti, National Institute of Technology Raipur, India

Chapter 10
Neurocognitive Mechanisms for Detecting Early Phase of Depressive Disorder: Analysis of
Event-Related Potentials in Human Brain ............................................................................ 165
   Shashikanta Tarai, National Institute of Technology Raipur, India

Chapter 11
Social Media Analytics to Predict Depression Level in the Users ..................................... 199
   Mohammad Shahid Husain, Ibri College of Applied Sciences, Oman

Chapter 12
Linguistic Markers in Individuals With Symptoms of Depression in Bi-Multilingual Context .... 216
   Anbu Savekar, National Institute of Technology Raipur, India
   Shashikanta Tarai, National Institute of Technology Raipur, India
   Moksha Singh, National Institute of Technology Raipur, India

Chapter 13
Motor Imagery Classification Using EEG Signals for Brain-Computer Interface Applications .... 241
   Subrota Mazumdar, Kalinga Institute of Industrial Technology University, India
   Rohit Chaudhary, Kalinga Institute of Industrial Technology University, India
   Suruchi Suruchi, Kalinga Institute of Industrial Technology University, India
   Suman Mohanty, Kalinga Institute of Industrial Technology University, India
   Divya Kumari, Kalinga Institute of Industrial Technology University, India
   Aleena Swetapadma, Kalinga Institute of Industrial Technology University, India
Chapter 14
Intelligent Big Data Analytics in Health................................................................. 252
   Ebru Aydindag Bayrak, Istanbul University – Cerrahpaşa, Turkey
   Pinar Kirci, Istanbul University – Cerrahpaşa, Turkey

Chapter 15
Medical Image Segmentation: An Advanced Approach........................................ 292
   Ramgopal Kashyap, Amity University Chhattisgarh, India
   Surendra Rahamatkar, Amity University Chhattisgarh, India

Compilation of References .................................................................................. 322

About the Contributors ......................................................................................... 369
