Argosy University, USA

ISSN:2475-6660

EISSN:2475-6679

MISSION

The complexity of the human mind has puzzled researchers and physicians for centuries. While widely studied, the brain still remains largely misunderstood.

The **Advances in Psychology, Mental Health, and Behavioral Studies (APMHBS)** book series presents comprehensive research publications focusing on topics relating to the human psyche, cognition, psychiatric care, mental and developmental disorders, as well as human behavior and interaction. Featuring diverse and innovative research, publications within APMHBS are ideally designed for use by mental health professionals, academicians, researchers, and upper-level students.

COVERAGE

- Personality Disorders
- Developmental Disorders
- Anxiety
- Emotional Health
- Human Behavior
- Substance Abuse
- Treatment & Care
- Mental Health & Disorders
- Counseling & Therapy
- Cognition
