LOCATION ADDRESS  
Dauphin County Library System  
Hummelstown Community Library  
205 South John Street  
Hummelstown, Pennsylvania 17036  

PROJECT INTRODUCTION  
The new Hummelstown Community Library is located at the site of a historic hotel destroyed in a fire. The library building makes references to the hotel in its design ad feature board and batten siding and an exposed timber ceiling inside.

Was the Hummelstown Community Library modeled after another library? If yes, which library and why?  
No, it was conceived as a reaction to its programming and the constraints of a long narrow tapered site.
